**Western Region Meeting 2019**

**July 9-10th**

**Costa Mesa, California**

California Dreaming – Yesterland to the Future. California Dream was the result of the California Gold Rush after 1849, California's name became indelibly connected with the Gold Rush, and fast success in a new world became known as the "California Dream". California was perceived as a place of new beginnings, where great wealth could reward hard work and good luck.

The 2019 N.S.C.A.R. Summer Tour will head westward to California. While there, we'll explore the new national theme Foundations of Freedom, and the national programs & contests as well as visit Yesterland, the Knott's Berry Farm's exact replica of Independence Hall. We hope to see you on the tour of the west from Yesterland to the Future!
